A TIME OF EXAMINATION AND VISION

Sunday, March 5
Immediately following the
Combined Service at 10:00 a.m. in the PLC.

We were supposed to be in the main church, but the first Sunday in April is Palm Sunday. For that festival service, we need to be in the church proper and be able to use the organ.

Catered Barbeque Luncheon
(Free-will offering will be taken up.)

Healthy and Unhealthy Characteristics of a Congregation – Part 2

The second part of our conversation will give you an opportunity to express your hopes concerning the gifts, skills, and vision your next Lead Pastor will bring to our church. I will lead you in small group discussions around the tables as we look at your hopes and expectations for your next pastor. Are our expectations realistic? Are you open to either a man or a woman being your next pastor?

There are 24 hours in a day. How do you expect your lead pastor to use time in:

- a) preparing for worship,
- b) having sacred time with own family,
- c) attending meetings,
- d) visiting in homes and hospitals,
- e) leading the staff to accomplish their ministries and the vision of Holy Trinity beyond the physical church itself,
- f) counseling and helping to meet the emotional/spiritual needs of the congregation,
- g) overseeing administrative responsibilities.

How would you like to see the pastor and staff best use the time they give for the ministry of Holy Trinity Lutheran Church?

Please be praying for discernment as we meet together,
Pastor Tom

PASTOR'S PEN

Lent is the season of the church year that follows the Epiphany Season. It is a time we set aside each year to remember the love of God that is poured out through Christ Jesus by His death on the cross. His defeat of death, sin and Satan and His resurrection bring eternal life to you.

Why bother with Lent? Because it allows us a form of spiritual practice. Musicians understand that regular practice is necessary. It is a discipline that enables freedom; not a freedom that avoids discipline. Horowitz, the great pianist, said, "If I skip practice one day, I know it. If I skip practice two days, the critics know it. And if I skip practice three days, everybody knows it."

Lent is Christian practice time. It is spring training for the Christian who wants to stay in shape or who wants to get into shape. The means to spiritual health is not a luxury. It is a necessity.

No one is so well-off spiritually that he or she can afford to skip Lent. And no one is so bad-off spiritually that Lent can't be helpful. So Lent, why bother with it? It is practical, it works, it is necessary. *

As we continue in our Lenten journey, we will focus on the beloved hymn *Amazing Grace*. If you will take a few moments, you will surely recall times in your personal life where God's amazing grace made all the difference.

That amazing grace turned King David around after he had sinned against the Lord, Bathsheba and her husband Uriah whom David had murdered so he could have Bathsheba for his wife. Psalm 51:3-4, 10-12 (ESV) ³ *For I know my transgressions, and my sin is ever before me.* ⁴ *Against you, you only, have I sinned and done what is evil in your sight, so that you may be justified in your words and blameless in your judgment...* ¹⁰ *Create in me a clean heart, O God, and renew a right spirit within me.* ¹¹ *Cast me not away from your presence, and take not your Holy Spirit from me.* ¹² *Restore to me the joy of your salvation, and uphold me with a willing spirit.*

I look forward with joy and anticipation as we share in our Lenten Journey.

Pastor Tom

WELCOME!!!

Every church has the responsibility of welcoming members and visitors to their congregation. When someone visits our church for the first time, what is their experience? Are they welcomed with friendly faces; do we introduce ourselves and let them know we are happy they are joining us; do we tell them about who we are as a church; and do we invite them back? The motivation for Christians to be hospitable is to remember that we are recipients of God's hospitality. We were once strangers, wanderers, new to the faith; but by the grace of God, we were made alive together with Christ. Thus, Christian hospitality is a reflection of the gospel.

Would you like to join us in being an integral part of who we are as a church and serving as a greeter or usher? If so, contact Donna Allen to be added to our greeter/usher team. Also, if you would like to provide a treat for Connection Time, that is always welcomed.

HOSPITALITY TEAM

Isn't it wonderful how we gather once a month to worship and fellowship together as a congregation! With that in mind, a Hospitality Team has been created to ensure that the kitchen is well stocked of needed supplies, has easy to follow instructions posted on how to use the appliances, and coordinates cleaning of the kitchen.

We also came up with some guidelines when bringing food into the kitchen that we hope everyone will follow:

- If you place something in the refrigerator, use a provided label to put your name, date and event the food is for
- Unless noted, please do not assume someone will eat leftovers in the refrigerator. All food, except for condiments, will be disposed of within ten days of being placed in the refrigerator.
- Unless otherwise specified, any food in the refrigerator may be used by anyone using the kitchen (i.e., salad dressings, drinks, creamers, etc.)
- A calendar will be placed in the kitchen to log any planned events when the kitchen will be in use
- Please wash and put away any dishes, pots and pans, trays, and utensils after use

On Monday, March 20 at 9:30 a.m., we invite anyone available to come help give the kitchen a good cleaning. If you have any questions, please contact a member of the Hospitality Team: Carla McMahan, Sarah Waldrop, Anita Stiles, Pepie Jones, Donna Motsinger or Donna Allen.

**In Christ,
The Hospitality Team**

- March 12:** Confirmation/HS Small Groups 5:00 - 7:30 p.m.
- March 19:** Confirmation/HS Small Groups 5:00 - 8:00 p.m.

March is going to be a “light” month, as far as activities go. Instead, we will be focusing on our Lenten journey on Sunday evenings. We will be doing things differently over the next several weeks, leading up to our prayer stations night on Palm Sunday.

After Easter, our activities will ramp up! Think fun stuff, such as a lock-in, hiking trip, etc... but also local mission work. We will use Lent as a jumping off point to get us ready for an active spring full of fun, fellowship, and service to God and neighbor!

CHILDREN’S MINISTRY NEWS FOR MARCH

Palm Sunday Activity Day *Begins after Combined Service*

Mark your calendars! On Palm Sunday (**April 2**), we will have a special activity day for kiddos ages pre-K through 5th grade. We will make palm crosses, walk through prayer stations, prepare Resurrection eggs, and other such activities to teach the meaning of the events of Holy Week. The activities will begin with lunch following the Combined Service that day, and will wrap up by **1:30 p.m.** Please make plans to send your kiddos, and be sure to let your friends know as well!

Did you know that you can subscribe to a daily Bible reading on the NALC website. Go to thenalc.org, click on Devotions and then click on Devoted to Prayer. From this page you will be able to subscribe. An email will be sent to you each day. You can read it or you can listen to it. Right now, it's daily devotions for Lent 2023.

WOMEN'S MINISTRY NEWS

We have been having fun in 2023! We started with our Annual General meeting and Living Water mini-retreat, followed by a brunch at Eggs Up Grill and our cross making event is right around the corner! But the fun is just beginning!

As a follow up to the annual meeting, we asked for recommendations of organizations to donate \$700 of Women's Ministry funds to and the board decided on donating \$350 to each India Transformed and Least of These Carolinas. These are two very good causes with a record of using the money to help those in need.

We are planning our first **Ladies Night Out for Tuesday, April 25 at 6:30 p.m.** at Portofino's in Franklin Square. No reservation is required.

We have received enough feedback and interest for the Spring Retreat and are moving forward with the planning. For those that mentioned that you would be willing to help with the planning, expect us to be reaching out to you soon!

Dear Holy Trinity Disciples,

Words are not enough to express the love, kindness and support my family received from the Holy Trinity family, not only during the days surrounding Mike's passing, but throughout his health struggles. Your care and concern warms our hearts. Mike's funeral service was beautiful in every way. It brought joy to look up into the choir and see familiar faces of those who sang with Mike, those who Mike loved. The reception was lovingly organized and prepared. Our every need was taken care of last Saturday. My family is forever grateful. We thank you from the bottom of our hearts. God bless you!

Warmly, Jenny Brunnemer

The love of God is greater far than tongue or pen can ever tell. - Frederick Lehman

God's love has been demonstrated to me through my Holy Trinity family and I am blessed. God is good and takes care of His children through His ministering earth angels.

All praise, honor and glory are His, Marion Clemmer

Holy Trinity Lutheran Church,

Happy New Year! LOTC wanted to take time to THANK you for your partnership this past year! Your generosity toward children in foster care through your donation of stuffed animals and your monetary donation is HUGELY appreciated. You are making a direct impact! I like to say, children in foster care are served best when they are served by many. We look forward to 2023 with you!

ENDOWMENT HIGHLIGHT

The Carolinas Mission District and the NALC Disaster Relief have two disaster relief warehouses that house First Response supplies when disaster strikes. Items such as hygiene kits, school supply kits, blankets, Bibles, and flood bucket kits are housed here. The supplies are available to anyone in the Carolinas Mission District and the NALC, which Holy Trinity is a part of. Fire, flood, tornado; they all can be deadly and destructive, many times leaving nothing in the aftermath. Endowment funds were approved to assist the NALC Disaster Relief in 2022 and again in 2023. Holy Trinity, along with other sister churches in the NALC help keep these warehouses stocked with items that will be desperately needed when natural disasters strike. The Endowment Grant provides money to help keep supplies stocked and on hand when a need arises. Extending Christ's love and ours and providing for some basic physical needs in a time of tragedy is a part of who we are called to be as Jesus' followers.

If you want to read more on the NALC Disaster Relief and how they have been assisting others, please Google them at <https://thenalc.org/nalc-disaster-response/> or simply search **NALC Disaster Relief Response**.

"...and one of you says to them, "Depart in peace, be warmed and filled," but you do not give them the things which are needed for the body, what does it profit?" James 2:16 NKJV

PROPERTY UPDATE

When you come to Holy Trinity, the state of the property is typically the first and last thing you see as you enter for worship and exit to return home. The Property Team wants to assure you that efforts to revitalize and repair are ongoing and we're ready to provide an update on the ongoing efforts regarding building repairs and upgrades. The Property Team is currently assembling a list of projects (ongoing and planned) into one place where we can estimate cost and time to complete, and then decide whether we have the resources to do these projects in-house or outsource. The next steps in the coming month will be to prioritize the projects and start to get task teams on the in-house ones and begin contacting contractors for the out-sourced ones.

If you have maintenance skills, we would love to involve you on small tasks that match your time availability. Although we will have organized "work days" once these tasks have been scoped out, please be aware that we will be organizing a "Pine Needle" work day on an upcoming Saturday (TBD)- a few hours from a few of us will go a long way to keeping the property common areas looking great for the upcoming year!

COUNCIL PRESIDENT MESSAGE

How did you do in February? Last month, I challenged us all to do better demonstrating our love for the Lord as Jesus commanded us to do by loving God with all of our heart, soul, and might. How did you do? You don't need to tell me or Pastor Tom or anyone else, but I do encourage you to consider that for yourself.

To recap, one way to love God is to spend time reading the Bible each day, so you can hear what God is saying to you and creating the opportunity for you to grow closer to him. You can also demonstrate your love by worshiping him with your church family each week. How did you do? Did you increase the number of days you spent reading scripture? How many Sundays did you worship with your church family?

How else can you demonstrate your love for God? When you are worshiping, are you fully engaged? It is so easy to get distracted. If you are like me, it is easy for your mind to wander. And that doesn't include what happens if your phone gets involved! What can you do to be more engaged? One thing comes straight from Psalm 100: 1-2. "Make a joyful noise to the Lord, all the earth! Serve the Lord with gladness! Come into his presence with singing!" Notice, Psalm 100 says to make a joyful noise. It doesn't say that you must sing well! Just sing! To me, that means the Lord hears your heart instead of your voice. The Lord would love to see and hear more of our congregation singing (even badly!) Lutherans are known for their love of music, so let's show it! When you are singing, you are definitely engaged!

Spending time with God in prayer is another way to demonstrate your love. Are you praying daily telling the Lord what you are thankful for, praising him, and asking for his help? Do you give thanks for each meal before eating - even when you eat out? Witness to those around you that you are thankful to the Lord for your meal and spend time with God.

Let's grow deeper in our relationship with the Lord each day in March!

**In His Service,
Grant Sparks
Council President**

Are you looking for a way to connect with our community? Consider, perhaps, being a mentor at one of the two schools we support: Lingerfeldt Elementary or York-Chester Middle. Both schools have requested that we send mentors—people to come alongside students—who can commit to one hour per week. This is a great way to reach out to our neighbors, and it's a lot of fun! Mentors usually meet with the student at an agreed upon time (schools are flexible with your schedule) and play games, read, or simply talk with students.

If you are interested, please reach out to me at 704-674-7340.
Cody Carpenter

HOW DO YOUR FINANCIAL GIFTS GLORIFY GOD?

For where your treasure is, there your heart will be also. (Matthew 6:21 NIV)

Our Giving is an act of Worship. In light of what Christ has done for us on the cross and the amazing grace we receive, our giving should be a reflection of what our heart treasures. Our giving should be viewed as a part of our worship to the Lord. If we are just giving to mark off a line on our spiritual checklist, we are merely involved in charity and we are missing out on the great joy of being a cheerful giver.

We give because God has given to us. God has given us everything (James 1:17). He gave His Son to provide for our salvation. He has blessed us with every spiritual blessing in Christ (Ephesians 1:13). He “richly supplies us with all things to enjoy” (1 Timothy 6:17). Because He has given so abundantly to us, we should respond by giving generously back to Him. What is your response to those blessings God has bestowed on you?

For those that like numbers...

Noted below, we show our January 2023 offerings compared with our monthly budgeted ministry plan. Our staff and leaders continue to manage our expenditures. Our church leadership is doing their best to be good stewards of our financial resources.

Gifts Received in January 2023:	\$35,379
Monthly Budget for Ministries:	\$46,565 (4 Sunday month)
Difference:	(\$11,186)
Gifts Received in January 2022:	\$48,851
